EXPERIENCE

EcoGuard Pest Management *May 2025 – August 2025*
Data Analytics Intern El Dorado Hills, CA
Worked with company data analysts to generate business insights

- Saved 100 man hours electronically compiling Excel and CSV files for publication on the company dashboards
- Identified technician route inefficiencies and reduced fuel costs by using live data feeds and data analytical analysis using R and Python programming to create data visualizations.
- Instrumental in the adoption of a company standard that assigns gas cards to technicians
- Project resulted in a savings of 10% in fuel expenses.

Allen & Overy Shearman *December 2022 – September 2023*
Legal Intern (eight hours per week) Menlo Park, CA
Intern within the Capital Markets practice

- Created reports on asset holdings of corporate entities, helping individual associates of the firm with consulting for major corporate events including the bankruptcy of Vice and a series of industrial land acquisitions in Indiana
- Summarized court opinions in corporate law; updated citations of textbook on fiduciary duty by senior partner and head of the Capital Markets team
- Used excel to map companies with \$500 million to \$1 billion in assets and liabilities undergoing bankruptcy or mergers; delineated plots of hundreds of acres of industrial land for sale in southern Indiana
